CONTRACT OF CONTINUING GUARANTY

For and in consideration of credit heretofore extended or to be extended to _____ (hereinafter called "Customer"), which we hereby request and in which company we are financially interested, for value received, the undersigned (hereinafter called "Guarantors") jointly and severally, unconditionally guarantee the punctual payment of any and all indebtedness, or balance of indebtedness now exists or is incurred hereafter, of Customer to Sabel Steel Service, Inc. (hereinafter called "Seller") for steel products sold and delivered to Customer and related services.

This is a continuing guaranty to Seller relating to any indebtedness, including that arising under successive transactions, which shall either continue the indebtedness or from time to time renew it after it has been satisfied. However, this guaranty shall not apply to any indebtedness created after actual receipt by Seller of written notice of its revocation as to future transactions. Cancellation of this guaranty shall not alter obligations incurred with respect to orders placed by Customer prior to receipt by Seller of written notice of cancellation.

No extension in the time of payment or other indulgence or change in the terms or amount of payment granted by Seller to Customer shall release the Guarantors from the obligations contained in this guaranty. The Guarantors waive notice of acceptance, notice of protest, notice of dishonor, and of nonperformance and notice of the amount of indebtedness outstanding at any time.

The obligations of the Guarantors under this guaranty are joint and several and independent of the obligations of Customer, and a separate action or actions may be brought and prosecuted against the Guarantors whether an action is brought against Customer or whether Customer may be joined in any such action or actions; and the Guarantors waive the benefit of any statute of limitations affecting their ability hereunder or the enforcement thereof.

Any indebtedness of Customer now or hereafter held by Guarantors, either individually or severally, is hereby subordinated to the indebtedness of Customer to Seller; and such indebtedness of Customer to Guarantors if Seller so requests shall be collected, enforced and received by Guarantors as Trustee for Seller and be paid over to Seller on account of the indebtedness of Customer to Seller but without reducing or affecting in any manner the liabilities of Guarantors under the other provisions of this guaranty.

Guarantors agree to pay a reasonable attorney's fee and all other costs and expenses which may be incurred by Seller in the enforcement of this continuing guaranty.

This guaranty shall incur to the benefit of Seller, its successors and assigns.
